**EXECUTIVE DIRECTOR**

W. Alan Skipper, CAE, CMP

Plans are underway for the 2019 Winter CME of the NC Society of Otolaryngology and Head & Neck Surgery. The meeting, "2019 ENT Practice Management: Preparing for 2020 and Beyond," is scheduled for Saturday, February 9, 2019, at the Grandover Resort in Greensboro, North Carolina. We are anticipating an attendance of around 40 ENT physicians and 50 ENT practice managers and office staff from across the state. An outstanding educational program has been assembled by program co-chairs Charles Woodard, MD, and Willard Harrill, MD, FACS. A draft of the registration brochure is attached.

The continental breakfast, lunch and breaks will take place in the exhibit hall, allowing you opportunities for face-to-face interaction with the physicians and office staff attending. Exhibitors are invited to attend the Saturday luncheon for an additional opportunity to interact with the meeting participants. Exhibits should be set up after 7:00 pm on Friday evening, February 8 and should remain set until after the mid-afternoon break on Saturday, February 9.

We invite you and your company to participate in this meeting as an exhibitor. The fee is just \$500. Additional opportunities for sponsorship of specific events and meeting features also are available. We are grateful for the support we receive and recognize the impact it has on the outcome of the meeting. Further, we are eager to recognize the generosity of our supporters and will certainly acknowledge your participation in every appropriate way.

To confirm your participation, please complete and return the form which accompanies this letter. You will then receive further meeting details. Our tax ID number is 56-1271757. Since we will have limited exhibit space, I encourage you to respond early.

If you have any questions or need further information, please contact me at (919) 833-3836 or at nlowe@ncmedsoc.org. Thank you for your consideration of support, and we hope to see you in Greensboro.

Cordially,

Nancy Lowe, CMP  
Director
